

I respectfully urge the FCC to reject the NAB's petition 04-0160. I pay for the service that I'm getting from satellite and enjoy every bit of it. I think it would be shameful for you to protect the NAB. Why don't they improve on the quality of service that they offer and then they wouldn't lose listeners like me to a company that gives me everything that I'm asking for and more. Again, please reject the NAB's petition 04-160.
